Products

HOME HEATING OIL

Nothing heats warmer or more comfortable than oil. We deliver #1 kerosene and #2 low sulphur home heating oil. To prevent your fuel from gelling in extreme cold temperatures, ask for FloMax to be added to your delivery. Tank Shield is another fuel additive which extends oil tank life by controlling sludge and moisture from accumulating in the bottom of your storage tank.

PREMIUM ON-ROAD & OFF-ROAD DIESEL FUEL

Wardway supplies many Tri-State excavators, contractors, developers, landscapers and other commercial accounts with premium ultra low-sulfur diesel for over the road vehicles, and non-taxable dyed diesel for off-road equipment. Fuel storage tanks and pumps are available. Our On-Road fuel is treated giving you superior mileage and no freeze up in the winter.

PROPANE

Home, farm, commercial... Wardway should be your choice for propane (LPG). We supply 100 lb. cylinders, bulk tanks ranging in sizes from 100 gallons to 1000 gallons, and underground tanks. We deliver 87 octane and 92 octane gasoline.

METHANOL & RACING FUELS
